## READY TO FIGHT THE TURKS

## ALEXANDER'S ADDRESS TO HIS TROOPS.

THE PRINCE SAYS THAT HE WILL BE IN THE THICK OF THE BATTLE.

PHILADELPHIA, Sept. 23.—All the Russian officers in the Balkan service have resigned and their places have been filled by Bulgarians.

The country is disappointed at the action of the Russians, but the people are not discouraged. Two fully equipped battalions of volunteers have crossed the Balkans and are proceeding to this town.

Prince Alexander, while inspecting a body of reserves who were about to start for the front, made a brief address to the troops, concluding as follows: "My brave men, we have no quarrel with the Turks, but if they threaten our action we will fight them to the death. And I will be in the thick of the battle."

The Prince's speech was received by the troops with the greatest enthusiasm. The whole province has been declared in a state of siege.

Prince Alexander assumes the post of commander-in-chief of the entire army and Major Nicoloff will command the forces of Roumelia. A detachment has been dispatched to the Powers to urge them to recognize the union.

All the members of the Chamber of Deputies are enthusiastic in the cause and will strongly support the union and will do all in their power to bring about its success.

All the Mussulmans enrolled in the militia of Roumelia have been discharged from the service as a precautionary measure against the converting of military secrets to Turkey. The sympathy of the Mussulmans is undoubtedly with the Port, and it is permitted to remain in the army they would probably fraternize with the Turkish soldiers.

Prince Alexander has ordered several Turkish emblems, which were seized in the rising here on Friday last, to be restored to their owner. He has also telegraphed to the Czar asking him to favor the union of Roumelia and Bulgaria, and to grant the united countries the protection of Russia.

Prince Alexander has issued a proclamation, in reply to a number of addresses yesterday, saying: "I rely on the valor of Roumelians to carry out what they have undertaken, and will endeavor to make a satisfactory arrangement with the Sultan, whose rights I respect."

London, Sept. 23.—An unusual feeling prevailed on the Paris Bourse today. Rumors are current to the effect that serious disorders have occurred in Macedonia and that the Sultan is about to send a large force of troops to the Balkans as becoming more critical every day, and they doubt the possibility of restoring the status quo.

Prince Alexander has issued a circular to the Powers in which he announces the union of Eastern Roumelia and Bulgaria. He says that he has accepted a popular election in his native spirit to Turkey. He recognizes the Sultan's suzerainty, and holds himself responsible for the public security. He asks the Powers to recognize the union in order that the Balkans may be regarded as an accomplished fact.

Otherwise the people are resolved to do everything that lies in their power to uphold the union. Prince Alexander has also sent a respectful dispatch to the Sultan of Turkey asking him to recognize the union.

At Constantinople there is great excitement over the situation. The Sultan presided at a council of ministers today, and several of the ministers have been ordered to resign.

London, Sept. 23.—The Russian Minister at Berlin has received a dispatch from the Sultan of Turkey, in which he asks the Powers to recognize the union of Eastern Roumelia and Bulgaria.
